In today's Gospel, Jesus gave a radical commandment – "When someone strikes you on your right cheek, turn the other one to him as well" (Matthew 5:39). Today, it is cliché and remains radical, because it has the power to change hearts and nations.

Ask Gandhi. Even though he wasn't Catholic, Gandhi leveraged the power of nonviolence to bring about a new kind of revolution. His peaceful tactics inaugurated a massive movement which eventually resulted in economic independence for India.

With that we might also reveal the power of such a disposition in our lives! Christ himself did not hide his face "from insults and spitting" (Isaiah 50:6). We all experience being "struck on the cheek" in various ways. We want our parish and diocese to be a haven where people can find the strength to face the evils in their lives. When you support our **Bishop's Stewardship Appeal (BSA)**, you help increase our ability to heal and sustain the bruised and weary. Through your generosity of prayer, gifts, and good words, we can continue to offer the bread of angels to the hungry and make BSA shine brightly! God bless you.

Our parish and diocesan communities are a haven where people can find the strength to face difficulties in their lives. Even when we may feel lost or struggle, may we remember that when we come together with prayers, gifts, and support it gives us the power to make change. The little we have is what God asks of us; nothing more, nothing less. With your help and His combined, we are confident that our **Bishop's Stewardship Appeal** will succeed in brightening our community.
