MARCH 2023

The month of March is known as the Month of Saint Joseph and is punctuated by the Solemnity of St. Joseph, Spouse of the Blessed Virgin Mary on March 19th.

Joseph the Just Man

The Church encourages us to be devoted to Joseph because he was a model in the heroic practice of all the virtues. The example of virtuous living that he gave in the exact fulfillment of the duties of his state of life is worthy of our reflection. Read the gospel and you will see his faith, hope and charity practiced under trying circumstances. He was prudent in caring for his wife and the child; he showed great leadership in protecting them and assisting them. He was religious in every sense, with that delicacy and sincerity of conscience that is proper to the saints of God. He was just in his dealings with God and man. He was conspicuous for his fortitude and courage. He was truly outstanding in the practice of virginal chastity. More: he protected and defended Mary's virtue in the time of courtship and all during their life together. They had made a promise of chastity, and because they were resolved to live it for God they were blessed above all others. While Mary inspired him to practice this virtue perfectly, he, as a real man, understood the profound meaning of her inspiration and how it came from a heart that was steeped in the love of God. Time and again the Church has made it clear that Joseph is not a saint for only a certain number of souls, but that he can help all men. Excerpted from St. Joseph: a Theological Introduction by Michael D. Griffin, O.C.D.

Loving Father, So many times I turn away from you and always you welcome me back. Your mercy and love gives me confidence. Thank you for the invitation to share, fast and pray so that you can form a new heart within me.
